Hello, All!

I hope you have been enjoying your summer. Fall is just around the corner and so are Arlington's Continuing Education Classes.

- We've added another Zumba® night – Wednesdays at LaGrange Middle School in addition to Tuesday and Thursday nights at AHS.
- We now have a fall Kidnastics class at Beekman Elementary.
- Digital Photogaphy is back for adult students only – bring your camera and learn what to do after you've taken the photos
- For those with a quizzical mind, we've also added Numerology – a fun class that explores the relationship of numbers and things.
- Be creative and take an Arts or Crafts class! Cook! Garden!
- Dance! Sing! Play an instrument! Exercise! Get Fit!
- For those getting ready to take the SAT's (juniors and seniors) sign up early for the SAT review classes which will start the week after we get back to school.
- And, if you find that success is just out of your reach, take a class in Goal Setting or The Power of Self.

As always, we have a class for everyone. You can download a copy from our website: www.arlingtonschools.org/images/stories/pdfs/contedfall2009.pdf. A hard copy will be in the DACE bulletin which will be in the Thursday, August 6, edition of the Pennysaver and it will also be in the Arlington District Communicator that will be mailed to all Arlington residents mid-August.

Enjoy the last few days of summer – hopefully we'll get to see a little more of the sun.

See you in September!
