What's Happening this week?

Math: We will begin Chapter 12, Using Multiplication and Division, on Monday.

Social Studies: We have divided Chapter 7 into two parts. This is an extremely important chapter so, we are spending a little extra time on it.

Reading: We will start some new literature circles first of next week!

Writing: Our writing is in FULL swing! Please encourage your child to work hard as we climb this mountain together! They will do great, but we have a long way to go and our time is dwindling, fast! We have begun writing our first Expository Paper. We are breaking it down and taking baby steps, so we will not be so overwhelmed!
