

From the Desk of Mrs. Collins

September 21-25

Tests

Collins Correspondence

What's Happening this week?

Math: We will combine Chapters 5 and 6. They both involve graphs and data collection, we will test on them together the following week.

Reading Workshop: We are off and running with Literature Circles and the students are doing great! We will wrap these books up on Friday.

Science: We will continue our study of Variables!

Social Studies: We will begin Chapter 4 on Monday. We should be ready for a test first part of the following week.

Friday:
Literature Circles Due
Spelling
Vocabulary
Morning Work
