East Elementary-Third Grade

November 2-6, 2009

New Twelve Weeks

Today is the first day of the second grading period. You will receive report cards today for the first twelve weeks. Please sign them and return the top portion only. I am so proud of the hard work our children have put forth!

This week in math we are starting to learn our 0s, 1s, 2s, and 5s in multiplication. We will make flash cards in class to study the facts at home.

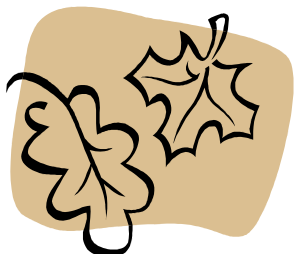

In science, we will continue our study of rocks and Earth materials.

In grammar, we will learn about action verbs and linking verbs, and how to identify them in sentences.

In reading, we will focus on story elements and sequence of events in stories to boost comprehension.

Our spelling list will include words with double consonants. Congratulations to the winners of our class spelling bee- Brooke and Clay! They will represent us at the EES Spelling Bee Dec. 11.

We begin a new 12 weeks earning AR points. We will plan a new 25 points party around the middle of February. Keep on reading!

**Thanks for
your support!
- Mrs. Pass**

This Week's Homework/Test Schedule:

M O N	Spelling—Word Meaning p. 49 Math—Learn 0s and 1s Reading Log—AR Book Grammar Packet—Lesson 4

Thank you to Mrs. Childers for coming in to paint pumpkins last Thursday afternoon. Also, Thanks to Mr. Childers- he performed several hours of volunteer work in our room to earn a grant from Wal-Mart for our class! A super thanks to Mrs. Fuller for donating the pumpkins! Thanks to all of you for supporting our SUPER-FUN Halloween Week!
