Nov. 9-13, 2009

Tests & Quizzes

Brannon's Paw Prints

What's Happening this Week?

Math: Multiplication concepts test was today. The rest of the week will be spent learning division concepts including the meaning of division, the connection between multiplication and division, and division and multiplication fact families.

We will continue learning our multiplication facts. This week we will learn our 4's. Is your child practicing their flash cards nightly??

Reading Workshop: This week we'll focus on distinguishing between facts and opinions. Our literacy centers will incorporate sequencing Thanksgiving picture books, playing a fact and opinion game, doing a fact skills packet, and reading about Pilgrims.

Vocabulary: *contrary, glide, ignored, sternly, innovative, rivals*
Words are from The Cow Who Wouldn't Come Down.

Spelling: We will do Making Words activities. No spelling test this week.

Writing Workshop: We will be doing response writing to Caleb's Story. Cursive writing will also be a focus.

Social Studies: Rocks and Minerals will wrap up this week with a test on Friday. They can read chapter 6 in their science book (pages 198-221). Please send a note stated the reading has been done for 5 extra points on the test Friday.
