

## Tutoring

Tutorials are held every morning from 8-8:30 A.M. If you have experience tutoring or have ability in math and can give a half hour a week, your time will be much appreciated.

\* We are looking specifically for someone this year who can help a student with Freshman Geometry during the tutorial time.

**Dates and Times Needed:**

Monday through Friday from 8-8:30 A.M.

**Description:**

- Teachers will guide you through this role once you are in class.
