## ANNUAL DONATION

Dear Parent,

Each year we ask families to donate to the PAC so that we may continue supporting our children and programs at Hall's Prairie Elementary School.

A gift of \$50 per student or any other amount you feel you can donate will help the PAC support the students of Hall's Prairie Elementary School. Each year the PAC provides funds for school wide fieldtrips, to bring artists, authors and other groups to the school, the purchase of equipment and program incentives, as well as classroom funding that each teacher can spend as needed, whether on craft supplies or additional fieldtrips, to make the school year the best it can be.

For the past few years we have also been fundraising to build a new playground at the school. The first two phases of the playground are built but we would like to finish the last phase, so our kids have the play space they need and deserve.

Any and all donations help support our kids. Please support our children any way you can.

Sincerely,

Jill Adamovitch (Treasurer)
