Dear Parents / Guardians:

The Governing Board of the Etiwanda School District takes pride in announcing that the 2010/2011 annual School Accountability Report Card (SARC) for Etiwanda Intermediate School has been issued.

The report card, required by Proposition 98 (November 1988), contains information about a variety of school conditions, including student achievement, discipline, expenditure, attendance, instructional materials, the school facility and the program quality. The report card and its appendices are available for viewing on the Etiwanda School District webpage at www.etiwanda.org or in the school office. A copy of the report card itself will be provided upon request from the school office.

Sincerely,

Janella Cantú-Myricks
Principal
