

I can't imagine having my mother in 3<sup>rd</sup> Grade.  
First, my mom would have trouble \_\_\_\_\_

Then at recess she'd \_\_\_\_\_

At lunch she'd only want to eat \_\_\_\_\_

In computer lab I'd have to help her \_\_\_\_\_

By afternoon, my teacher would have to tell my  
mom to stop \_\_\_\_\_

I think my mom should definitely \_\_\_\_\_  
\_\_\_\_\_ instead of trying to  
be a 3<sup>rd</sup> grader!
