

Leadership Code of Conduct

The Leadership class is an essential program at Hale Middle School. As a part of the Leadership class, students will be visible around campus, organize fundraising events, create, promote, and run activities, as well as represent the students and staff of Hale Middle School with their 'Above the Line' behavior. Students who are selected to be a part of this program will be taking on a leadership role both on and off of the school campus.

A student who chooses to be a part of the Leadership class and represent Hale Middle School needs to adhere to the following:

As a member of Hale's leadership class, I am committed to following all of the school rules while conducting myself with dignity and appropriateness. At all times I will remember that I represent the entire student body and will attempt to follow Hale Middle School's Integrity Policy and strive to establish the values it expresses in all of my classes and in my actions as a leader.

I understand that failure to follow these and any other guidelines set forth by the school or by my advisors will result in certain disciplinary measures and possible removal from the Leadership class. I am also aware that my contributions to the Leadership class and to school-wide programs and activities will be reflected in my academic, work habit and cooperation grades.

I additionally understand (as was stated on the Leadership application) that I must maintain satisfactory grades in work habits and cooperation, and grades of D, F, and U are not accepted. Grades will continually be evaluated. If I am unable to keep up with my academic progress in my other classes, I may need to be removed from the Leadership class.

By signing below, I agree to abide by this contract, knowing that my individual choices and actions will be the basis of what can make me a strong leader. I will respect the decisions and guidance of my advisor, classmates, and school administrators, as no one can lead alone, or without the help of others.

I have read and understand the Leadership Code of Conduct and agree to follow the guidelines in order to participate in the Leadership program.
