

The Cities vs. the Countryside
By Jing Luo

Directions: Answer each question in two to three complete sentences. Use pen, blue or black ink, or type your responses using a font size of 12 point.

1. Why are the rural Chinese moving to the cities?
2. What is that makes the larger cities more attractive than the smaller ones?
3. What solutions to the problems of surplus population are being explored?
4. Compare Jing Luo's view of what is happening with Chinese cities to that of the textbook authors as evidenced by the sidebar on page 471.
