

## *Fifth Grade Homework*

Name: \_\_\_\_\_

For the week of: January 5<sup>th</sup> - 9<sup>th</sup>

### ***Monday:***

**Spelling:** 1. Rewrite your misspelled words 3 x each in your weekly journal.  
2. Complete one spelling activity from your spelling choice list.

**Math:** Complete the attached review of multiplying Mixed Numbers.

### ***Tuesday:***

**Vocabulary Development:** Complete part B "Just the Right Word" from the weekly Wordly Wise Lesson. Revisit this to prepare for the vocabulary quiz on Friday.

**Math:** Complete Lesson 7-8 pg. 72 in your math homework workbook.  
Lesson: Explore Dividing Fractions

### ***Wednesday:***

**Reading Comprehension:** Read the attached TFK articles and complete the comprehension/vocabulary activities.

**Math:** Complete Lesson 7-9 pg. 73 in your math homework workbook.  
Lesson: Divide Fractions

### ***Thursday:***

**Grammar:** Complete the attached grammar practice to prepare for the quiz on Friday.

**Math:** Complete Lesson 7-10 pg. 74 in your math homework workbook.  
Lesson: Divide Mixed Numbers

**Weekly Google-Docs Assignment:** Analyzing a News Story: Use the "Analyzing a News Story" graphic organizer to take notes while reading an article of your choice (however, not from the back of the magazine).

Then write a cohesive, organized summary of the article using your notes.

**I.** Begin your response by introducing the importance of the event/topic. Be sure to answer the 5 "W's" and an "H".

Bring your homework folder to & from school every day!
