Math: Complete Lesson 10-8 pg. 79 in your math homework workbook.
Lesson: Thousandths

Weekly Google Docs Writing Assignment:

Personal Experience Essay & End of the year Reflection: Write a five paragraph essay reflecting upon your fifth grade experience in school this year.

**** Be sure to brainstorm a list of highlights and choose only three that have had the most impact on you as a student! It could be something new that you were introduced to, an improvement in a specific subject area or an academic accomplishment.***

I. Be sure to begin with a catchy lead introduction paragraph including a thesis statement.

II - IV. The three body paragraphs need to focus on three "highlights" of your year glancing back.

V. End with a strong summation in your conclusion paragraph.

Remember all that you know about good writing and the six traits. Be sure to revise and edit.

****Remember to complete the assignment independently to SHOW YOUR skills as a writer and how YOU have grown.***

Bring your homework folder to & from school every day!
