We have a fun week ahead of us as we begin to wind down our year and work diligently to prepare for our job experience at J.A. BizTown. Students will take their final Language Arts assessments of the year both Tuesday and Wednesday. They will have their final math test on Wednesday as well.</p> <p>If you have not done so already, please be sure to have your child return all three permissions slips to attend our field trips next week.</p> <p>NOTE: Please send your child to school with a sack lunch on Monday, Wednesday and Thursday for all of our field trips. Reminder, for the San Diego County Fair you can send your child to school with \$5.00 spending money. The day we go bowling make sure your child wears socks to school for the bowling shoes.</p>

<p style="writing-mode: vertical-rl; transform: rotate(180deg);">JA Biz Town</p>	<ul style="list-style-type: none"> • J.A. Biztown: Now that the business teams have been established, students will create mission statements, continue to develop entrepreneurial skills, use the SMART decision making systems, budget their account and loan application, and determine prices of goods and services to be sold which will ultimately earn them a profit. Each company will write three advertisements to place with the NBC news, The radio station (Channel 9.33) and The Daily Transcript. They are doing an incredible job working together as a team using innovative, authentic, creative ideas to become business savvy. The kids can't wait, one week to go! • Just a quick reminder that the following parents are on the list to participate in this amazing experience. • I also highly suggest carpooling with a few parents if possible: • <i>Mr. Kight, Mr. Horton, Mrs. Sippel Saldana, Mrs. Robinson, Mrs. Sinclitico, Mrs. Heit and Mrs. Recce that have set aside a long day, to attend JA BizTown with LCH June 15th. Remember: the volunteer training begins at 7:30 am.</i> •
