	18	Dr. Martin Luther King
April	5-9	Spring Recess
May	31	Memorial Day
June	22	Closing Day

Dear Parent/Guardian(s),

As we approach the end of the school year, I would like to thank all of you for supporting your children and the school throughout the year. Your contributions are evident in your child's performance. Our students continue to achieve academically and athletically. This year, as a school, our API increased another 20 points to an all time high of 863. Our state ranking remains in the 9th decile. Our athletic teams brought home seven district league championships. Mesa View students and staff continue to perform amongst the best.

We are also very proud of our new school-wide positive behavior intervention system which began this year. This comprehensive plan includes direct instruction and reinforcement of our school-wide expectations: the "3Rs." Many students received Eagle Postcards, Eagle Wing reinforcement notes, and won the weekly Eagle Wing Wednesday raffle, entitling them to share a double lunch with a friend. These initiatives have been very successful in promoting respect amongst our students, positively adding to the school culture and climate.

This year, the PTSO has been very active supporting school activities both financially and with generous volunteer hours. The support and attendance of parents at conferences and activities has been outstanding - we appreciate your efforts and involvement on campus and at activities. It truly makes a difference - thank you!

We hope you have a wonderful summer and once again, thank you for your continued efforts and commitment, as together we create the best possible middle school experience for our students.

Cordially,

Leona Olson

End of Year Reminders:
