Referrals for Gifted and Talented Education (GATE) testing may be initiated by teachers, parents, or the student. If you have a current “new-to-district” student you would like to have tested this fall for the Gifted and Talent Education program, please contact your child's teacher or school office for a referral form.

If you have questions about the screening process, please call the GATE office at (408) 252-3000, Extension 199, between 9:00 am and 12:00 pm or visit the GATE website at: <http://www.cusdk8.org>.

NOTE: Fall testing for new-to-district students will take place late October 2009.
