

August 25, 2009

Dear Parent(s),

Welcome to Pre-Algebra! In the flurry of back-to-school information you are being bombarded with, please take the time to read through this packet with your child and either complete and return the bottom of this page or complete the online form on my web page and email it to me (preferred).

I have high expectations of every student in this class. I expect your child to bring a positive attitude along with the required supplies and work to class each day and be prepared to participate. All students need to take responsibility for their work and actions and to communicate directly with me when they are struggling with anything in the classroom (either academically or socially).

Your involvement in your child's education plays an important role in his or her success. Thank you in advance for helping me to help your child this year. I look forward to meeting you at Back-To-School Night (Thursday, August 27) and other school functions. If at any time you have comments, questions, or concerns, the best way to contact me is by email. I will respond as soon as I can to answer your questions or set up an appointment to meet.

Sincerely,

Vicki Gochnauer

Submit information online or detach and return

Student Information Form

Online submission is preferred. This copy is provided for those without Internet access. Form should be completed and submitted by Thursday, August 27.

I have received and read the *Pre-Algebra Information Packet*. Parent initials: _____

Student Name (please print) _____ Period: _____

Parent/Guardian Name _____

Parent email: _____

Parent daytime phone: _____ Home phone: _____

Best time to contact: _____ Best way to contact: _____

In A Million Words or Fewer...tell me about your child!

This is your big chance to let Mrs. Gochnauer know about your student. What are your child's hobbies? Strengths? What should I know about him or her? Write as much or as little as you please about anything that will help me get to know your child better. Use the online form or the back of this sheet.
