Changes to Communication.....

Our enrollment is currently at 317 students, which is up from 260 last year.

In an effort to conserve paper for instructional needs, the Reagan newsletter will be sent out on an every other week basis, rather than weekly. The calendar in it, however, will provide dates three weeks into the future to keep you just as informed. Parent communication is extremely important to us and we will exhaust every cost effective method of communication. We will rely heavily on keeping the web page updated (the web address is listed above) and the use of our dialer to keep you abreast of any and all happenings at Reagan Elementary. Should you ever have any questions or concerns, please don't hesitate to call or come by the school.

Help Our School Out With the Annual Fall Fundraiser

Our annual Jog-a-thon fundraiser is currently under way. Our school goal is to raise \$5,000...with the help of all, we could make this the most successful Jog-a-thon ever! If you need another pledge sheet, you could find it on the school website under the "forms" link; or you could come into the office or ask your child's teacher for another one. Our fundraiser goes to help raise money for instructional supplies, athletic and playground equipment, and student incentives just to name a few. The actual run will take place on Friday, September 11. Please note the collection days from the calendar. I would like to thank you in advance for your support of Reagan Elementary.

After School Pick-up....

With the increased number of families accessing the campus, traffic can become quite congested. If everyone does their part to follow the rules and takes into consideration a little patience, the flow of traffic is congested for a very brief period of time. At NO time should you park and leave your car in any loading zone area. This causes traffic to back up and is dangerous. If you wish to park and leave your car, please use the parking area to do so. When parking in the parking lot, please walk your child to or from the campus to your car. We do not want children running across the parking lot. Our staff are on supervision to keep your children safe, not to police the parking lot. With everyone doing their part, drop off and pick up time is a much more safe process. Thank you.

*Also, just a reminder that students cannot be on campus before 7:15 due to safety purposes.

*Campus club offers a fee based program should you need child care after school.

Calendar

Monday, September 7

*No School – Labor Day

Tuesday, September 8

*Jog-a-thon \$\$ collection day

Wednesday, September 9

*Early Release (12:30pm)
