

# Explorers Power Point Presentation

For our Social Studies unit on explorers, you will be responsible for creating a Microsoft Power Point presentation. The Power Point presentation will be created here at school, but the research and preparation for each slide will be done both in class and for homework. You will be responsible for creating a presentation that is at least five slides long, which should include information from the attached rubric.

## Explorers Power Point Grading Rubric

Slide 1: \_\_\_\_\_ (10pts.)

- Name
- Explorer's Name
