E-Mail Address_____

If you would you like to honor the memory of a loved one by having a beautiful decorative plaque installed on our new "Memory Wall", this is the perfect program for you. The brass plated plaques are 5" by 11.5" and will be installed on the brick wall (now called our Memory Wall) in the new prayer garden. You can do this simply by completing the form below and returning it along with a check to the school office. The cost of each plaque is $85.00 and funds raised will go towards the "Building Fund" collection wherein various school improvements will be made. Additional donations would be greatly appreciated so if you would like to do this, please enter the amount below and add it to your check. **Plaque $85 + Additional Donation $_____= Total $_____**

Please PRINT your message below. If you have any questions or need more information, please contact Jo Placek at #714/441-2881.
