Our Bag of Goodies for the Week

Important Events

October 24 - Fall Festival & Dinner

Wickedly Wonderful Website!

Reading: Unit 1 Assessments

There is no story this week due to Unit Assessments. We will review all the stories in the unit and all the strategies we have been practicing.

Math: Chapter 3 – Place Value

We will continue practicing place value up to the hundreds place. Practice addition and subtraction facts with your child using flash cards.

Science/Social Studies:

We began making our family trees and will have them all completed this week.

From The Teacher:

- Thank you very much families for volunteering your time with the Capital Nursery and Fog Willow Field trips. I know it was a lot to have 2 field trips in one week, but we had enough volunteers for both. We hope to go on many more field trips☺
- Starting this Thursday, I will have a guest teacher for the remainder of the week and the week of October 27-31. Mrs. Mitchell will be our guest teacher. She has a daughter in Ms. Leonard's 2nd grade class and has been a Sutterville parent for many years.☺

Weekly Words

Spelling Words: No words this because we are doing our Unit 1 Assessments.
