A Peek at Our Week

Reading: Come Back, Jack

This week's story focuses on comprehension strategies **making connections** and **making predictions**. The comprehension skill is **Compare and Contrast**. We will discuss the literary element of Figurative Language.

Math: Chapter 2 Subtraction

We will wrap up chapter 1 this week with our assessment and then begin chapter 2 subtraction. Continue to practice addition math facts.

Science: Unit 1

We will continue studying plant life cycles and also the scientific method.

Social Studies: Unit 1

We will be comparing families of long ago and today and discuss how families long ago made a difference in our world today.

Important School Events

Oct. 8 - Picture Day!

Coming soon! - Fall Festival and Dinner

Freitas' Friends Website

Please visit our classroom website! It is a work in progress, but I hope to include helpful information for you!

Notes from the Teacher:

Continue reviewing your child's homework and sign their homework sheet nightly. Your child should be reading a minimum of 20 minutes nightly. Please look at your child's folder each night and remove papers that need to stay home. Also, please remember to sign your child's homework sheet.
