

WELCOME FROM THE PRINCIPAL

Welcome to Village View School! This student/parent handbook is intended to provide you with important information regarding Village View School. We are committed to making this a wonderful year for your child. A clear understanding of school guidelines will help your child understand behavior expectations, better focus on academic achievement, and facilitate school/home communication. At Village View we have very high expectations. Students must show:

- Respect for themselves.
- Respect for others.
- Responsibility for their actions.

Thank you for all of your support in helping our children become model citizens.

Aaron Jetzer
