

Suggested School Supplies

The following lists are suggested for the upcoming school year. Your child's teacher may request some additional items, but this list is a good starting point for the first day of school.

We would also love to have every family bring at least one ream of paper. If every child donated just one ream of paper, that would save the school over \$2000! In this time of budget cuts, that would be very helpful. (If you want to donate more...we won't say no ☺)
