WEIBEL PTO MEMBERSHIP
2008-2009 SCHOOL YEAR

FUNDRAISING MEMBERSHIP DRIVE

Weibel has a yearly goal of raising $70,000 a year, approximately $100 per student, through fundraising efforts. This PTO Membership Drive is our first fundraiser and starts off the year in a positive direction. Funds raised provide all of our extracurricular clubs and activities with money to start the year. The goal of the PTO is to provide additional enrichment activities and programs to our students that would otherwise not be feasible due to school district budget constraints.

By joining the PTO, you are contributing financiallly to our fundraising efforts. At the same time you and your child are building a connection with the teachers and staff at Weibel to support the learning and community that is a special part of Weibel Elementary. You are invited to come to the monthly PTO meetings on the second Tuesday of every month. By having PTO membership, you will have an official voice at the meeting. We would like to achieve 100% participation by having every student and parent become a member of the Weibel PTO. Membership is only $10 per person.

Start off the school year right and join the PTO today! Complete **one form per family** and submit your check for $10 per person. So, for a family of 4, you would write a check for $40. Make checks payable to **Weibel PTO** and return by September 30, 2008. Please write "PTO Membership" in the memo line of your check so that we can make sure that your contribution goes to the correct fund. You can also choose to donate an additional amount to the PTO general fund and/or the Technology Fund. The Technology Fund provides much of the computer equipment and software to both students and teachers.

Thank you,
Fahria Khan, Membership Coordinator
