

Dear Parents and Students in Fifth and Sixth Grade

Please take a moment to discuss the possibility of joining our Safety Patrol Team. Information and training will be provided.

We need students and parents as well. If both sign up, we will have you work together. Parents work in the morning valet service supervising student patrollers who help other students. Parents are also needed for afternoon supervision.

Parents meet at 8:00 a.m. until 8:30 a.m. (8:40 a.m. for the lower parking lot). Students meet at 8:05 a.m. and prepare for the valet service starting at 8:10 a.m. Those students will also be part of the afternoon valet service, which is supervised by our teachers and parents. The afternoon service goes from 2:40 to 3:00 p.m.

It is a great opportunity for building responsibility and collaboration skills. As we group the students with classmates, it also creates bonding and dependability.

Once we have the class list in August, we will choose about 6-7 students for each class on a first come first serve basis (judged by the sign up date) and preference will be given to student/parent teams.

Please return to Mrs. Dora in the front office.
