

**CANTON MIDDLE SCHOOL
PARENTAL PERMISSION – ATHLETICS**

Dear Parents/Guardians,

Your daughter/son is a candidate for the Canton Middle School _____ team for the _____ season.

The athletic policy of this school emphasizes the well being of each individual participant on our teams. Our coaches make every effort to reduce to a minimum the chances for injury. However, even with the best coaching, use of appropriate equipment, and strict observance of the rules, injuries are still a possibility. On rare occasions, these injuries can be so serious as to result in total disability or even death.

All students participating in a Canton Middle School sanctioned sport must be covered either by your own personal medical insurance or by the regular student accident insurance available to students in grades 7-8. Brochures on the student plan are sent home for parental perusal at the beginning of each school year. It is mandatory that parents of all students planning to participate in interscholastic sports have their youngsters covered by insurance.

Another requirement for all students participating in sports is to have an up-to-date physical examination form placed on file at the school prior to participating in practice.

If you are willing to have your daughter/son participate in a sports program this year, please sign the bottom of this form and return it to the appropriate coach promptly.

No student will be allowed to compete on a Canton Middle School team without the written consent of a parent or legal guardian.

Students that have practice or games at Mills Pond must be picked up promptly after practice or games, walk home (see below), or they may be picked up at CMS/CHS.

Yours,

Joseph P. Scheideler
Principal
