Check here to accept parent/legal guardian responsibility

4. Check the boxes to grant permission for personal portable devices and private network use if you are granting permission.

Use his/her own personal portable devices (such as laptops, tablets, smart phones) at school for educational purposes as permitted in my child's school.

Use a private network provider to access the Internet on his/her portable devices used at school with the understanding that access to the Internet will not be blocked, filtered or monitored in the manner that it is when school provided networks are used.

In granting my permission, I agree to hold harmless the school district from any loss, theft or damage to my child's personal portable devices or other claims resulting from such use by my child. I agree that my child will be responsible for his/her own devices and will use them according to all school and district rules, policies and regulations.

5. Click Submit.

6. If you have additional students you need to accept the AUP for, click on their names at the top and follow the same procedure.
