

**One Voice - Milford High Schools PTSA** is a Parent-Teacher-Student-Association that combines representation from both Foran and Jonathan Law High Schools. It is one way you can be involved in your child's high school experience.

"One Voice" will:

- Make our high school seniors eligible to apply for Connecticut State PTA and Nutmeg State PTA scholarships and awards.
- Give our high schools a voice on our city-wide PTA Council.
- Present a unified voice and programs on issues pertinent to our high schools and our high school aged children in general, such as, but not limited to:
  - Underage drinking and/or drug use
  - Internet etiquette and financial literacy for teens
  - Issues surrounding the needs of our high school buildings
  - Issues surrounding course offerings
- Enable us to come together as a community of high school/middle school parents, teachers and students to discuss things that are unique to this age group, but common to us all, no matter what high school our children attend.
