## First Kindergarten Progress Report

Dear Parents,

We have been working with your child for the last few weeks and we would like to share some of our observations. Below is a list of skills we have been working on. Any item highlighted is one that your child can identify or is something we have observed. Any item that is not highlighted is an item we need to continue working on with your child. Thank you for your continued help and cooperation! Capital letters were assessed at this time; lower case letters will be assessed in the coming months.
