

Lilly's Purple Plastic Purse

By: Kevin Henkes

We read the story Lilly's Purple Plastic Purse. Lilly brought in a purple purse to share with the class with some really neat things inside. See if your child can remember what she had in it. (Sparkly glasses and some jingly coins) She could not wait to share her purse with her friends and did not listen when her teacher told her to wait until sharing time. See if your child can remember what happened next (she had to put the purse on the teacher's desk until the end of the day). Please put one item in the purple purse and write down three clues below. We will try to guess what item is in the purse from your clues.

1. My item begins with the letter _____.

2. Two words that describe my item are

_____ and _____.

3. I can use my item to

_____.
