

The Crayon Box That Talked

by Shane DeRolf

1. Read the book with someone
2. Can you find some of the color words in the story?
3. Can you name the characters?
(Don't forget the little girl)
4. Can you re-tell the story?
5. Play the color game by matching the colored bear to his friend with the right color word. 😊
6. Do one page in our color book (Don't peek at someone else's page - use "the first letter and its sound" strategy to help you)
7. put everything back in the bag.

Can you color the
crayons the right color?
Can you circle the primary
colors?
