

Dear Parents,

I would like to ask for your help and cooperation with your child's valentines this year. If you plan to send them in, please have your child bring in all their valentines on their specified day:

Mon. Feb. ____	Tues. Feb. ____	Wed. Feb. ____	Thur. Feb. ____	Fri. Feb. ____

Use the attached sheet to address envelopes for each child by cutting apart and gluing each name on the envelopes (do not cut the numbers off).

Their own name should be printed, by themselves, on the inside of each card. Most of the children can do this. If you start today they will only have to write 4 or 5 each day. The purpose of this is for each child to practice writing their name using capital and small letters. Use the attached sheet as a guide. All completed envelopes should be placed in numerical order. This will help your child mail them correctly.

Thank you,

Cut apart and glue one to the front of each envelope.

Please do not cut the numbers off.

This is a valentine idea that came from a workshop I attended years ago. If this is your idea please email me and I will give you credit for this great idea.
