Dear Parents,

You may have noticed that this week we have been working on correct capital and lower case formation and letter placement on the line. Please continue to practice this at home. Remind them of the importance of putting spaces between their words when writing.

Ask them if they know what this sentence says?

ihopeyouhaveagreatweekend.

Have them write the sentence below using their best printing and line spacing.

The form consists of four sets of handwriting lines. Each set includes a solid top line, a dashed middle line, and a solid bottom line, providing a guide for letter height and placement.
