

BOSTON 2012

Dear Parents-

I am pleased to announce that your child has the opportunity to take a fun and educational trip to Boston, MA with his or her classmates **May 2, 2012**. This is an exciting once in a lifetime opportunity for your child to discover American history first hand while fully grasping what we are learning in the classroom interactively.

I will be leading our tour with other chaperones as needed. I will be working with NationsClassroom, a professional student travel organization, to plan every aspect of our tour. Specializing in educational tours, they have been working with me throughout our planning stages and will continue to help me with every detail of our tour. NationsClassroom staff members will also be present throughout our tour in order to ensure everything goes smoothly. There is a great deal of helpful information about educational tours on the NationsClassroom website. Please visit it to learn more about what to expect at www.nationsclassroom.com.

Our educational tour promises to be an inspiring experience that the students will remember for the rest of their lives. If you have any questions please feel free to contact me at school.

Best Regards,
Phil Montanaro
Tour Leader
