**Program Description:** A + Learning Headquarters is in its sixth year of providing SES to nearly 3,800 students in reading, writing and mathematics, K-8. Staff is mostly CT certified teachers, including ELL and special education. Tutors teach 1.5/2 hour sessions per day, 2-3 times per week in small groups of no more than six (6) students, approximately 40-50 instructional hours annually, between 3-4 month time frame. Tutoring takes place at the school the child attends. Transportation is provided on a case by case basis.

A Plus uses research-based instructional materials and best practices aimed at maximizing student learning time through modeling, guided practice and direct instruction to lead students towards mastery learning. Assessments are both formative and summative.

A Plus staff works closely with each student's classroom teachers and families to meet the needs of individual students.

**Districts Served:** Ansonia, Bridge Academy, Bridgeport, Cooperative Educational Services (CES), Danbury, Derby, East Haven, Hamden, Milford, Monroe, Naugatuck, New Haven, Norwalk, Shelton, Stamford, Waterbury, and West Haven

**Program Description:** Bright Light Education provides individual and small-group instruction in Reading/Language Arts and Math. Our strategies are effective, researched-based methods that facilitate personalized instruction. Learning plans are tailored to meet the unique needs of each student. Our math program features a balanced approach incorporating conceptually based instruction, basic skills, and problem solving - connecting manipulative-based instruction to the three stages of learning and various learning styles. Our reading program provides explicit/systematic instruction that builds confidence and motivation.

The educators at Bright Light Education understand that each child has different learning needs so we work with parents and teachers to create a personalized learning experience that meets the individual learning needs of each student. We also offer schedules and locations that are convenient to parents. Let the educational experts at Bright Light Education help your child succeed!

**Local Contact:**

Jim Smith  
301-883-8256  
ses@kpscholars.com  
1100 Mercantile Lane, Suite 115A  
Largo, MD 20774

**Program Description:** The Kinetic Potential Scholars (KPS) program is built upon five key principals of quality programming: (1) a well-structured program, (2) recruitment and development of high qualified instructors with graduate degrees from Yale, Harvard and Columbia, (3) curriculum alignment to state standards, (4) involvement of parents/guardian, and (5) the latest advancement in technology—3D virtual learning environments (similar to Wii, white boards, online texts, and streaming video technology). KPS pairs each student with KP Tutors and KP Mentors, all of which results in a holistic approach to student

success. Sessions take place at school, libraries, community centers and churches. The program is designed for year-round access (before and after school, Saturdays and during the summer), to reinforce and support a continuation of math and reading skills. KPS is more than just tutoring, we provide each student with mentorship and career development throughout each stage of their development.

**Program Description:** Professional Tutors of America has been a leading provider of One-to-One tutoring across the US for over 25 years. Our highly qualified teachers and tutors go to the home of the student, and work strictly one-to-one with the student. The parent and tutor determine the tutoring schedule and the typical schedule is 1 to 3 hours per week. Our tutors are available after school, evenings, and weekends. Our adaptive assessment tool identifies each student's unique needs and our tutoring program focuses on mastering the necessary skills. For maximum results and increased student

motivation and self-confidence, Professional Tutors of America is your number one provider.

**Program Description :** Smarties Tutoring Services has tutored over 2500 students in Math and Language Arts using a state-of-the-art curriculum that includes a traditional paper and pencil curriculum and access to an individualized and dynamic online curriculum. We have provided SES in Connecticut for 3 years. Four out of five of our students improve their test scores by at least 10% and more than half increase by 25% or more. Our programs meet 2-4 days per week for 1.5-2 hours. Our classes are taught in small groups by experienced teachers who are enthusiastic about helping children improve their math and literacy skills. Our programs make every effort to challenge and motivate students to maximize their potential. Smarties recognizes that each child is unique, and we strive to meet the specific needs of each of our students. We foster success by expecting rigorous work, while supporting students as they strive to meet our expectations.
