The following procedures will be followed regarding Probation and Removal from National Honor Society:

1. Scholarship – If a student's GPA falls below the minimum 3.0 at the conclusion of one semester, the student will be notified and will be placed on probation for one semester. If at the end of that time, minimum standards are not met, the school NHS Membership Committee will meet to make the final decision regarding dismissal from NHS.
2. Character – If the student receives a referral, or exhibits "persistent misconduct," the school NHS Membership Committee will meet to decide whether the event warrants a probation of one semester or immediate dismissal. The seriousness of the event will be considered.
3. Service hours, attendance, participation: If a student is not meeting his or her obligations to the chapter after a period of one semester, he or she will be placed on probation for one semester. If at the end of that time, requirements for membership are not met, the NHS Membership Committee will meet to make the final decision regarding dismissal.
4. Please Note: **Dismissal from NHS is PERMANENT.** Once dismissed, a student may not re-apply OR re-enter.

I have read the above regulations and requirements for membership in the ATCMHS National Honor Society, and agree to honor them if I am accepted for membership.
