Dear Parent,

As parents and teachers, we realize it can be hard to get a child to discuss what he or she is learning in school. We hope the information provided on this page will assist you in communicating with your child about what he or she is learning.

For the next few days, your child will be completing the *Orientation* Module. As your child's best teacher, your participation in the learning process is extremely important.

Words students will learn in this Module include:

- Agent
- enrichments
- Module
- Module Guide
- personal step
- Post Test
- rotation
- session
- student portfolio
- Student Tip
- Test Review
- workstation

Questions for discussion

During the course of this Module, your child will be assessed on key concepts and activities. You might want to discuss these concepts with your child.

He or she will be asked to:

- Describe when and how safety instructions should be followed within a Synergistic Module. *(Safety equipment such as safety glasses, oven mitts, and aprons must always be worn when instructed.)*
- Identify the sources of points in a Synergistic Module and explain how the points are determined. *(RCAs: 12 multiple-choice questions worth 10 points each. Post Test: 10 multiple-choice questions worth 10 points each. Attendance and Participation are worth 140 points. Assessment is worth 60 points.)*
