# Bee Book Contract

Dear Family,

Congratulations! Your student is learning to be organized and responsible. Please read over the following guidelines carefully with your child. After talking about how to take care of the BEE Book, you and your child should sign and return the bottom portion of this letter.

## BEE Book Rules

Please take very good care of your BEE Book. It will be used all year.

Please do not make any marks or drawings in your BEE Book.

Please do not put school supplies or heavy items in your money pocket.

Clean out the "Bee-utiful Work" section every night.

On Fridays, remove old newsletters or homework contracts.

Take your BEE Book home with you every day and bring it to school with you in the morning. After your homework is done, put it back in your backpack so you won't forget it!

Keep your BEE Book clean. Please do not eat or drink while using it.

Show your BEE Book to your family every day. They will be so proud that you are learning responsibility.

Please sign and return bottom portion only. Keep the top half for your personal records.

I \_\_\_\_\_, (student's name) have read the BEE Book rules with my family. I promise to do my best to take good care of my BEE Book and bring it to school everyday. I know that it will help me learn to become responsible and organized. If I loose my BEE Book, I understand that my family will be charged \$6.00 to replace it.
