

Dear Parent or Guardian,

The theme for the chapter is *Mis amigos y yo* (My Friends and I) and this chapter is called *¿Qué te gusta hacer?* (What do you like to do?).

Upon completion of this chapter, your child will be able to:

- talk about activities he or she likes or doesn't like
- ask others what they like to do
- compare popular activities in the U.S. with those in some Spanish-speaking countries

Also, your child will explore:

- the correct pronunciation of the vowels *a*, *e*, and *i*
- how to recognize Spanish words based on their similarity to English words

Realidades helps with the development of reading, writing, and speaking skills through the use of strategies, process speaking, and process writing. In this chapter, students will:

- read e-mails from four students
- speak about their likes and dislikes

Remember that additional help is available online at www.PHSchool.com by using the Web Codes in the Student Edition or in the Practice Workbook.

Check it out! Have your child use the new vocabulary from this chapter to write five sentences about things he or she likes to do. Then have him or her explain the sentences to you in English.

Sincerely,
