A BIG "Thank You!" to all of the parents that helped out at our Halloween party! The children had a wonderful time. It would not have been a success without your help.

In Religion, we learned that God made us. We learned that we can talk to God about anything anytime. We learned the sign for "I love you". We also learned that because God made everyone, we should try to love them just as we love God. We talked about different kinds of love and how we can love a friend.

This week we worked on the letter b. We learned about bats. We had a great time with our bears on Thursday. They worked hard and enjoyed listening to us read them books.

We began working on our family books. The children are writing about each member of their family and all the things that the family enjoys doing. If you have not sent in your family photo for the book, please send it in ASAP.

The children have been doing a wonderful job learning their sight words. They are so excited to be able to read words and sentences in almost everything they pick up. Thank you for supporting them in this exciting time.

In Math, we began our chapter on the numbers 0-10. The children will be working on counting carefully, comparing groups, and writing their numerals correctly. We also finished our Halloween counting books. The children worked very hard to glue the correct number of objects on the page and write the number and the words correctly. Your child should have brought home their book today.

This week was Red Ribbon Week. We discussed how important it is to only take medicine when our parents give it to us. We also talked about making healthy choices.

Congratulations to all of the children that participated in Book-It this October. As of Thursday, 22 out of the 25 children returned their Book-It forms! You should have found November's form in the Thursday envelope.

You should have received a note about Parent/Teacher conferences. Please note that conferences are on Tuesday, November 24 and your child will not have school that day. Please make sure to return your form by Thursday, November 5.

Kindergarten News

Please do not send Halloween candy in lunches and snacks.

Healthy snacks and lunches help your child have very successful days learning.

We have two new part-time helpers in our classroom. Miss Fahrenbach is the new early-childhood aide. She is in our classroom Monday-Thursday for about an hour and then the entire morning on Friday. Mrs. Pavarina is a volunteer who is helping out most mornings. The children have been very welcoming. We are very happy to have them in our classroom and I hope that when you see them, you welcome them as well.

Sight Words for this Week: **and, favorite, for, happy, and the.**

Next Week: Letter N, Family

Tuesday:	Bring in something that begins with N
Wednesday:	Word Book Due (letter N)
Thursday:	Conference Request forms due
Friday:	All School Mass 8:30
