

Parent Request for the Printing of Interims

Beginning the school year 2016-2017, quarterly interims will not be automatically printed for students. The following website is available for you to use to view your child's progress: <https://jpams.stpsb.org/progress>

By completing and returning this form, you are requesting the school to print your child's interim report each quarter. The interim report will be given to the child to bring home.

I HEREBY request that my child's quarterly interim be provided in the form of a printed report.
