

Physical Science Learning Log labeling instructions.

These are your instructions for labeling your Physical Science Learning Log. Purchase your composition notebook at Walgreens, WalMart, Dollar General or similar store. Try to find one that has a white block on the front where you can place your (see below.) The notebooks usually come in 80 or 100 pages – either is fine. NO SPIRAL NOTEBOOKS. In this document, I will lay out how I want the notebook labeled. Follow these instructions carefully. Below is an image of a typical front cover. Label your front cover this way. **BRING THIS NOTEBOOK WITH YOU TO THE FIRST DAY OF CLASS.**

Physical Science Learning Log labeling instructions.

**Page 1 is your Title Page.** See the image below and follow the instructions carefully. Pay particular attention to how I want the pages numbered. Do not deviate from these instructions or you will have to start over with a new notebook.
