

1J News

February 27, 2009

Elizabeth was our All Star the week before vacation.

Teddy was our 1J All Star this week.

Today is the 106th day of first grade.

Please return your child's progress report envelope and comment sheet to me as soon as possible. As always, please contact me if you have any questions or concerns about the progress report.

It was so great to see you all at our Open School Night. The children were so proud to show you their classroom and school.

Didn't you love the 100 Day projects displayed at Open School Night? The creativity shown this year was fantastic. Thanks so much for your support with this project.

We had an educational trip to the New England Aquarium. We spent some time in the aquarium observing the penguins and attended a very informative program about penguins. Thank you to the chaperones who joined us on the trip.

Our classroom marker supply has dwindled. Check with your child to see if he or she would like to bring in a personal supply to keep in his or her desk. So far the children have done a wonderful job of sharing, but with the supply so small, it is getting more difficult.

Thank you to the families who sent in disinfectant wipes. They are always appreciated.
