Introducing – St. Jude Regional Catholic School Tuition Incentive Program. For every new family your family brings to and enrolls in St. Jude, your family will receive \$750 off your family's tuition! That's right \$750 off!

Here's how it works:

- Complete the attached form below with all of your "current family information"
- Detach it and give it to the new family interested in St. Jude
- Have the new family complete their portion of the form and submit it with their completed application packet
- Once the new family is accepted and officially enrolled in St. Jude Regional Catholic School, you will be contacted with the good news!
- Additionally, you will be notified of your new tuition payment schedule

It's that simple!

****Note**** The maximum allowable amount of tuition credit will be equal to the value of a one child in-parish rate or the remaining balance of the current family's tuition whichever is less. The family receiving the tuition credit must be officially enrolled at St. Jude Regional Catholic School in order to receive it. The tuition credit is based upon the new family enrolling, attending, and paying tuition for the full school year. The tuition credit will be prorated for any new or current family who enroll and/or attend for less than the full school year and/or pay less than the required amount of tuition.
