

## Junior High composer tapes or C/D's

*To complete your tape or CD, follow the instructions listed below:*

1. Give lead time to a tape-this is not necessary for CD recording

2. Begin with the introduction which should read:

“My name is \_\_\_\_\_. The following report is on the \_\_\_\_\_ period. The composer from this period that I presenting is \_\_\_\_\_. At the end of the report, I will play a recording of \_\_\_\_\_.”

*The recording needs to be from the composer you reported on.*

3. The next part of the tape/CD should be a summary of the period you are reporting on. This should include the main characteristic , composers, important historical events, instruments being used and works of the period. **THIS IS FROM INFORMATION YOU HAVE BEEN GIVEN IN CLASS!!!!**

4. Now give the biographical report on your chosen composer.

5. End the tape or CD with a selection of music from the composer you reported on. You don't have to announce the title of the work as you will have done this in the introduction.

Notes:

Always listen to your tape or CD after recording it. Sometimes they don't tape or they are inaudible.

Do not give your opinion on the music or composer. It is to be a factual paper.
