Summer Rate Info:

You may make as many changes (additions and/or cancellations) to your summer schedule as you like. However, we require a 48 hour notice, if you wish to avoid being charged. You may make these changes by filling out a change form (located on the parent table) or by leaving a message on our answering machine (263-6800 x9).

If you are unable to give us 48 hours notice, you have the option of using a "free day". If your child will be attending regularly 4-5 days/week, we will give you a total of 3 free days to use as you choose, throughout the summer. However, if your child will only be attending 1, 2 or 3 days/week, you will have a total of 1 free day to use as you choose.

Bills will be completed each Friday, for the week that just finished. You will find them in a billing box, on the parent table. Simply take your bill, place your payment back in the box, and take the bill for your own records. Payments are due upon receipt. (If your child doesn't attend on Fridays, simply get your bill the next time that he/she does attend. Thanks!).
