10/22 Early Out  
10/23 No School

## Student of the Week

Kathryn Davis

September's TERRIFIC  
Kid!

Sara Hopper

**Reading** Reading groups are still continuing to refine their questioning skills to better understand what they have read. Most groups have completed their chapter books. After completing their books, students completed a story board in which they identified the setting, characters, beginning, middle, and end of the story.

**Spelling** After taking a class vote, we will only be taking 1 spelling test a week. This test will still be on Friday's. The students will be better served by using pre-test time to work on a spelling strategy or identifying word meaning.

---

**Math**-This week we will begin Unit 3 with our Everyday Math. The Unit 2 tests we took on Thursday will be going home Wednesday, after I have had a chance to conference with each student about their test score.

The visit from the Firefighters has been rescheduled for this Tuesday.

---

**This Week's BIST TIP- Children need to feel safe. Safety is created through supportive relationships and setting limits. Children must have clear expectations, firm limits and kindness. Children need to know that adults, not the children, are in charge. Children need to trust the adults in their life that they will keep them safe and take care of them. Limits placed on children in a loving way help them to develop responsibility and self-confidence.**
