Wednesday: Art
Thursday: P.E.
Friday: Music

Up-Coming Events

10/22 Early Out
10/23 No School
10/30 Halloween Party at
2:30

Student of the Week

Kaylee Lewis

September's TERRIFIC
Kid!

Sara Hopper

Reading As we continue working on our reading strategies during reading groups, we will practice summarizing what we've read and continue to ask questions during reading to deepen our understanding.

Writing Last week we wrote thank you letters to the Elks Club for donating personal dictionaries and also the firefighters for their visit last week. This week we are working on "Bold Beginnings" to our stories.

Spelling Spelling lists for this week will be going home today. Since our week is shortened the test will be taken next Monday.

Math-This week our lessons will focus on measurement and specifically determining perimeter and area.

Parent-Teacher Conferences are scheduled during this week. Please be sure to check you conference time on your child's Communication sheet. If you are unable to make it to your scheduled time please call to reschedule.

This Week's BIST TIP- "Rethinks" are quick time outs to help students refocus and get back on track. When a child is off task, they are asked to put their head down and cover their eyes. The child must be able to identify what got them into trouble in the first place, make a plan of what they can do differently next time, and then demonstrate the appropriate classroom behavior. When the student has finished a "rethink," they let the adult know by giving a thumbs-up signal.
