Student Expectations

Students are expected to attend all the rehearsals and performances unless an emergency prevents participation. A student who demonstrates an attitude of apathy will fail to add to the texture of

the group. All members are important and must demonstrate:

- Prompt arrival at rehearsals
- Commitment to develop the group
- Support for other members
- A passion for excellence
- The desire to work hard
- Good sportsmanship behavior
- Attendance at all WCPSS rehearsals
- Participation in the PIECES OF GOLD performance on March 10, 2010

The honor of auditioning and performing in the PIECES OF GOLD showcase is one of pride and demonstrates hard work, commitment, excellence, and the ability to present a polished, refined, professional act. To achieve this goal, each student who is selected to participate will not only be required to maintain high musical excellence, but a cooperative team attitude as well. Any student who fails to demonstrate these traits may be removed from the group at any time prior to the performance at the discretion of the music teacher.
